### Duties of Adults augmenting Troop leadership at camp:

- Period A** The first year emphasis program is for Scouts who have not been to summer camp before and who need progress toward Tenderfoot, Second Class and First Class ranks. Our goal is to provide adult supervision for our Scouts to make sure they get to the program site and behave while in the program.
- Period B** This period is between lunch and dinner. Scouts are supposed to rest at the campsite until 2:30 p.m. when the activities resume on an individual basis and the Scouts are free to come and go at the campsite. Our goal is to provide adult supervision in the campsite to monitor the activities and prevent dangerous horse play. Adults can assist Scouts with activities, too.
- Period C** During the evenings the Scouts can go to programs, work on things in the campsite or just hang out. Here again the adults insure that the campsite is safe and provide counseling to the scouts.
- Period D** Two deep leadership is required at all times, even at night. At this point we do not know which leaders, in addition to Mr. Horvath, will be at camp for the week. Therefore, we schedule other adults to insure we have adequate coverage at all times.
- Saturday** Parents arrive at the campsite at 9:00 a.m. Scouts pack, load cars, transport Troop gear to the trailer and clean the campsite. Everyone leaves after camp inspection is complete and Troop Gear is loaded. (Usually about 10:30 p.m.)
