

Scoutmasters News

Laura and Jim

Laura has been a wonderful leader from the beginning of our girl Troop over 2 years ago and that has helped Troop 390 also! However all good things come to an end. Laura and her family will relocate to El Paso after summer camp in July. We are happy that they will join Gabe when he is transferred to Fort Bliss for 3 years. Please join us in wishing her well!

Elise Nester will step forward from Troop Committee to be Scoutmaster, however, we need additional female members to join and be active with Troop 7390. If you are interested, please let us know.

We continue to plan for Summer Camp. Early Bird price ends Tuesday, May 11. We hope every Scout will attend Summer Camp. The majority of our Scouts are expected to go with us to the Muskingum Valley Council Camp in Coshocton. However, Summer Camp at Camp Manatoc is an option the following week.

Each Scout will need a BSA Medical Report that includes a physical by a medical professional. School and Sports physicals are not acceptable, but your doctor can fill out both forms from the same visit. It is critical that we know any allergy, special food concern and medical events that could occur at camp. Tetanus Vaccination within 10 years are required to have a year. All information is kept confidential and only shared with leaders on a need to know basis.

Class offerings for Summer Camp will be distributed at the May 11th Troop meeting. Once the Scout registers for Summer Camp we pay that Council and register the classes for the Scout. Some classes have participant limits. So early registration helps. Most Scouts that are working on Tenderfoot, 2nd Class and 1st Class Ranks will attend some classes for those ranks and take a Merit Badge or two. There is plenty of time to do fun things like hiking or open Archery, Swimming, etc., or to just hang out! Summer Camp is FUN!
