## Scoutmasters News

*Elise and Jim*

There is so much happening in Troops 7390 and 390. And it is great to have additional parents participate in the activities. The Bike, Camp, Canoe this past weekend is a great example! We had 16 Scouts and 8 adults. Everyone had fun and the campout was easier on the leaders.

We would like adults to take the Youth Protection Training and register either for the Troop Committee or a leadership position. Merit Badge Counselor is another position where we can use many parents. There are over 135 Merit Badges. Chose one in your field of expertise or a couple that are your avocations. Either way you help the Troop. If you don't know which ones to choose, let us guide you by telling which ones we need most.

We have activities planned and reserved through February 2022 and are working on completing the Scout year through August 2022. We hope August 2022 will be a family campout and White Water Rafting at Ohio Pyle PA.

## Fall Popcorn Sale Time

Jill Gallagher is our new Troop Popcorn Kernel! A **BIG thank you** to Jill! A new Popcorn Committee is being established and we couldn't be more excited!

Popcorn sales are a large part of the Troop's fundraising efforts. *We share half of the profit with the Scouts that participate in the Popcorn Sale.* Scouts should sell \$500 worth of popcorn to have annual registration fees paid by the Troop. Alternatively, should you choose not to sell, we ask that you contribute \$100 to the Troop.

Be on the lookout for more information to come!
